- | | |
|-----------------------------|----------------------|
| 1. Abies Canadensis | 31. Onosmodium |
| 2. Abiesnigra | 32. Ustilagomaydis |
| 3. Sabina | 33. Justiciaadathoda |
| 4. Lilliumtigrinum | 34. Syzygium |
| 5. Heloniasdioicia | 35. Passiflora |
| 6. Sarsaparilla officinalis | 36. Occimumsactum |
| 7. Sabadillaofficinalis | 37. Calotropis |
| 8. Argentum metallicum | 38. Caricca papaya |
| 9. Cuprum metallicum | 39. Cassia saphora |
| 10. Plumbummetallicum | 40. Ficusreligiosa |
| 11. Stannummetallicum | 41. Avena sativa |
| 12. Zincummetallicum | 42. Blatta |
| 13. Magnesia carb | 43. Coca |
| 14. Magnesia muriaticum | 44. Menyanthes |
| 15. Capsicum | 45. Medorrhinum |
| 16. Crocus sativus | 46. Pyrogenium |
| 17. Magnesium group | 47. Anthracinum |
| 18. Bacillus no.7 | 48. Vaccinium |
| 19. Dysentery co | 49. Variolinum |
| 20. Gaertner | 50. Psorinum |
| 21. Morgan pure | 51. Bacillinum |
| 22. Morgan gaertner | 52. Lyssinum |
| 23. Proteus bacillus | 53. Carcinosis |
| 24. Sycotic bacillus | 54. Diphtherinum |
| 25. Ranunculus bulbosus | 55. Malandrinum |
| 26. Coffeacruda | 56. Flouricumacidum |
| 27. Aesculus hippo | 57. Carbolicumacidum |
| 28. Artemesia vulgaris | 58. Rumex |
| 29. Cardusmarianus | 59. Mezereum |
| 30. Erigeron Canadensis | 60. Rheum |

- | | |
|----------------------------|-----------------------------|
| 61. Sambucus | 96. Asteriasrubens |
| 62. Caulophyllum | 97. Carboanimalis |
| 63. Viburnumopulus | 98. Hydrastis |
| 64. Glonoine | 99. Hydrocotyle |
| 65. Eupatorium perfoliatum | 100. Urticaurens |
| 66. Collinsonia Canadensis | 101. Radium bromide |
| 67. Iodum | 102. Squilla maritime |
| 68. Chininumarsenicum | 103. Cedron |
| 69. Causticum | 104. Spigelia |
| 70. Adonis vernalis | 105. Sanguinaria Canadensis |
| 71. Kalmia latifolia | 106. X-ray |
| 72. Rhododendron | 107. Craetegus |
| 73. Sanicula aqua | 108. Lithium carb |
| 74. Valerianaofficinalis | 109. Physostigma |
| 75. Natrum group | 110. Ceanothus |
| 76. Trillium pendulum | 111. Calcarea group |
| 77. Cocculus | 112. Solanacea Family |
| 78. Coralliumrubrum | 113. Baryta group |
| 79. Mephities | 114. Sarcodes |
| 80. Ranunculacea family | 115. Compositae family |
| 81. Lac Caninum | 116. Mercurius corrosives |
| 82. Lac Defloratum | 117. Mercuriuscynatus |
| 83. Thyroidinum | 118. Mercuriusdulcis |
| 84. Adrenalinum | 119. Mercuriussulphuricus |
| 85. Cholestrinum | 120. Condurago |
| 86. Cicutavirosa | 121. Barytamur |
| 87. Clematis erecta | 122. Rauwolfia serpentine |
| 88. Sabalserulata | 123. Melilotus |
| 89. Abrotanum | 124. Millefolium |
| 90. Raphanussativus | 125. Veratrumviridum |
| 91. Mercuriussolubilis | 126. Abromaagusta |
| 92. Vinca minor | 127. Acalyphaindica |
| 93. Anti ars | 128. Lobelia inflata |
| 94. Ratanhia | 129. Jonosiaasoka |
| 95. Stictapulmonale | |
